Barcode: 8901684615110

Product Description

Used for centuries by Native Americans in purifying rituals and cleansing ceremonies, the distinct clean scent of white sage is believed to drive away any bad spirits. Palo Santo or 'Holy Wood' is the name given to the wood of Bursera Graveolens, a wild tree native to South America. Palo Santo wood is used in the same way as white sage to cleanse negative energies and heal the body and soul. This White Sage & Palo Santo Native Soul Incense has been blended perfectly together to create a calming atmosphere whilst restoring balance to the mind and soul. The incense is beautifully packaged within a sliding box decorated with native American print on the outside and finished with a delicate feather on the inside. Each outer box contains 12 individual boxes of incense. Each individual box contains 15 incense sticks.
