6in Ritual Wand Smudge Stick with White Sage, Abalone and Quartz

Barcode: 5056131149960

### **Product Description**

The act of 'smudging' is a traditional Native American practice used to cleanse and purify spaces using the smoke of burning sacred herbs. Sustainably sourced and made in the USA, this beautiful ritual wand features white sage, abalone shell pieces, dried green flowers and a raw quartz crystal thoughtfully hand-tied into a tight bundle for burning and display. To use, light the end of the sage stick and allow to smoulder, place into a heat-resistant bowl or shell and gently disperse the smoke throughout the area to dispel negative energies. Fully extinguish after use and keep away from pets and children.
